Dear RNC Friends,

I promised you all that I would send a note out each week so, even though there is very little to report this week, I did want to make the connection.

We are still in the process of finalizing our contract with a facilitator and hope to have news soon. In the meanwhile, we are planning to visit a few nature sites in the area, known for their innovative technology and best practices.

Again, thank you for your commitment to Oakland and the Rotary Nature Center.
